INNOVATION OVERCOMES COVID-19

Beginning March 16, 2020, soon after the cast was announced, scripts were distributed, rehearsals had begun, and the production started to take shape, the outbreak of the novel coronavirus (COVID-19) mandated “social distancing” be observed and prevented further group rehearsals. Not to be defeated and confident that the Show-Must-Go-On, the leaders of CRKT initiated remote rehearsals using teleconferencing. Actors learned their lines, songs and dance steps virtually together while actually alone.

Here is a sample of an online rehearsal by the Thursday class:

COVID-19 OVERCOMES INNOVATION

Dear Mary Poppins JR Families -

It is with sadness that we announce that Coastal Rep will not be able to produce the Spring 2020 production of Mary Poppins JR. With the current Covid-19 situation and county safety guidelines in place, we feel it would not be a safe experience for the students or our staff and volunteers. Please know that we do not make this decision lightly - we were really looking forward to seeing your children light up our stage! But we do have hope for next year's production - stay tuned for that show's announcement later this summer.

In the mean time, we have decided to go ahead and print the beautiful, glossy commemorative playbill that our volunteer Gary Malhiot produced, and which are made possible by the financial support from Star Ads and business ads. We will either deliver or mail them to each student as a memento of all the cast camaraderie, hard work, and talent they experienced during their in-person and online classes this past spring. As usual, the playbill will include all of the cast members' names and their roles, class rehearsal photos, and the graduating 8th graders bios and headshots. We will also be hosting a virtual, online party for our graduating 8th graders (now FORMERLY 8th graders) - we will send that information to those families as soon as it is available.

We greatly appreciate your patience as we navigate teaching theatre arts through these challenging times and hope to see you all, in-person or online, in the near future .
