Director's Notes

Michael "Bub" Lederman
Founder/Director
Coastal Theatre Conservatory

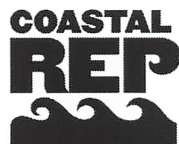

Seventeen years ago I stood on this stage and introduced the very first C.T.C. production, Charlie and The Chocolate Factory. I have vivid memories of that night. I remember how surprised we all were at the audience response. I remember the electricity in the building, an energy that had been missing and would forever change the course of this theatre company. From that moment on, there was no denying the important role youth theatre would play in our development. Coastal Repertory Theatre's commitment to youth opportunity and education is at the forefront of its mission. The number of volunteers who were motivated to dedicate copious hours to our cause, because of the love affair with this theatre they have seen in their children, is breath taking. There can be no doubt of the vital role Coastal Repertory Theatre plays in our community and has played in thousands of young lives throughout the years. For the gifts I have witnessed, I am eternally grateful.

This production is dedicated to the amazing group of talented artists who have joined me over the years in creating a safe environment for young thespians to explore the magical world of performance – and to the parents and children who have given me so much love. I am a very lucky guy.

— Enjoy the show, Michael "Bub" Lederman

About The CTC at Coastal Rep

Coastal Theatre Conservatory (CTC) was founded in 1994 by Michael Lederman, a professional actor with over 30 years of experience. In 2009, CTC merged with Coastal Rep as a first step towards crafting an educational branch of Coastal Repertory Theatre (Coastal Rep). Classes taught in Half Moon Bay, California have proven to provide actors from 5 to 25 with a safe environment to explore the world of theatre. Improved communication skills, increased confidence, better reading comprehension and love for the art of theatre are just some of the lessons learned by the students. Classes are taught by qualified professionals in all aspects of theatre and are led by Mr. Lederman. For information on classes please visit coastalrep.com or sign the mailing list in the lobby.

She played Joan in "The Nitnoid Wars, Part 2" and looks forward to her future with the CRT plays as well as the times she will be able to spend with her friends. Outside of drama, Rachel plays tennis, volleyball, and loves spending time on the beach. Rachel is grateful to all the tutoring and hopes one day to be starring on Broadway.

Matt is an eighth grader at Sea Crest School. He has been acting at CTC for 6 years and has acted in *Guys and Dolls*, *Once Upon a Mattress*, and has recently acted in *Willy Wonka and the Chocolate Factory* as Augustus Gloop. Outside of theater, Matt likes to play soccer and read. He also wants to thank the Boisterous Bub, the Amazing Amy, the Kindhearted Kimberly, and the Wonderful Mrs. Wendy for being incredible teachers for all these years.

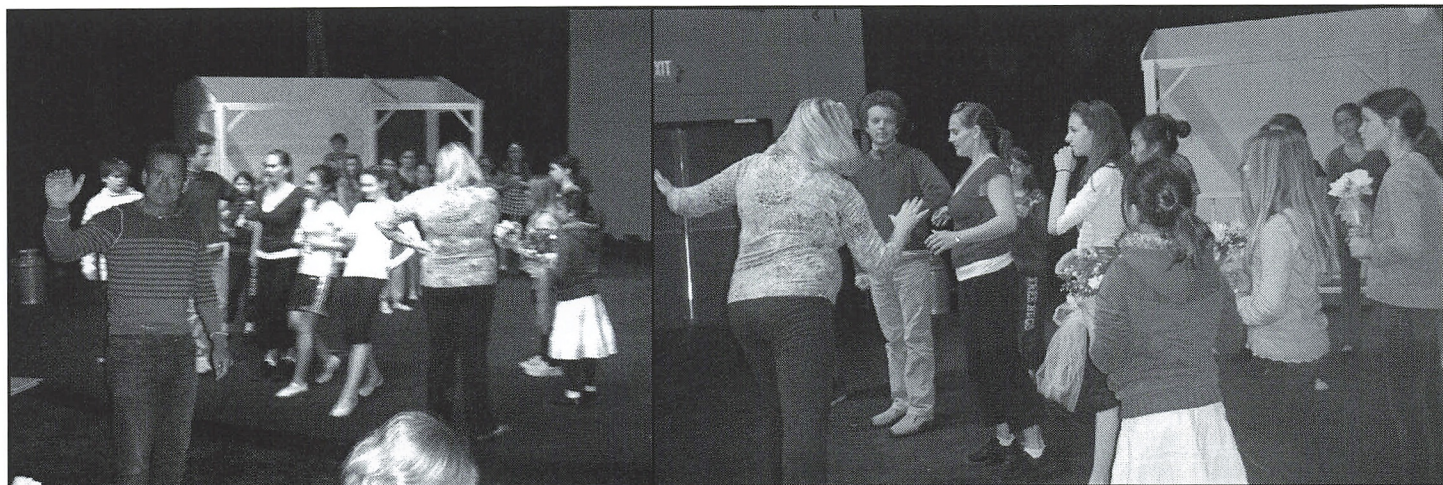

Shea Ugalde

Shea is a fourteen year old student at Cunha Middle School. She is utterly in love with the arts and most especially acting. She acted in the role of Mrs. Salt in last year's production of *Willie Wonka*. She enjoys playing the trumpet and going to art classes at Fly on the Wall Art School. She joined CTC in 2008 and has enjoyed it immensely. She has learned so much from Bub, Wendy, Amy and Kimberly and she is going to miss CTC, terribly. She is thrilled to be playing the part of Laurey in this year's production of *Oklahoma!*. She thanks everyone who has worked so hard to make each one of their productions such an amazing experience, especially the people mentioned above.
